

Holiday Gift Program

Help homeless women & children in our community!

Gift of Hope

A Gift of Hope can change the journey of a mother or child for the rest of their life! You can help give that gift of **Hope** today.

Visit

If you prefer, checks can be made out to Home of the Sparrow & mailed to our office below.

Gift of Opportunity

Donate items from our Shelter Needs Wish List! Provide homeless women & children with basic needs as they move into the shelter or move out into their own housing. This gives them the **Opportunity** to focus on achieving self-sufficiency, knowing that their basic needs are met.

Shelter Needs Wish List:

Donations from the Shelter Needs Wish List can be dropped off at our office listed below by Friday, 12/30/22.

Gift of Support

We are asking donors to purchase Gift Cards for each family member this year, which will allow the women to shop for their children online.

By adopting a mother or child in our program, you will provide much needed **Support** during the holidays!

You can mail or drop off gift cards to our office listed below by Friday, 12/12/22

Office: 4209 W. Shamrock Lane, Unit B McHenry, IL 60050

HOS is a 501(C)3 organization, and your gifts are tax deductible.
